Instructions for Accessing Sunesis E-Books on an iPhone, iPad, or Kindle Reader.

1. After your purchase, download the version you would like to read (epub for iBooks; mobi for Kindle app).

For iBooks

2. The book should appear in your Library, ready to download.

For the Kindle App

- 1. Swipe your home pages (where all your apps are listed) to the right until the Search screen appears.
- 2. Search for "files" and select it.

3. You should see the e-book first in the list. Select it to open it.

4. You should see a screen like this. Select the Share button (lower left corner)

5. Scroll through your apps until you find Kindle. Select it.

6. You should see a screen like the one below. Select "Send."

7. The booklet should soon appear in your Kindle library on all your devices that use the Kindle app (including a Kindle e-reader).
